

THEALE PARISH COUNCIL STANDING ORDERS

Rules of the Parish Council

adopted 8th June 2020
amended 10th August 2020

Signed _____
Chairman

What are Standing Orders?

Standing Orders are the written rules of a local council. They are used to confirm a council's internal organisational, administrative and procurement procedures and procedural matters for meetings. They are not the same as the policies of a council but they may refer to them. A local council must have Standing Orders for the procurement of contracts.

Councillors, the Responsible Financial Officer and Proper Officer, and meetings of council are subject to many statutory requirements. A council should have Standing Orders to confirm those statutory requirements. A council should have Standing Orders to control the number, place, quorum, notices and other procedures for committee and sub-committee meetings because these are subject to fewer statutory requirements. If it does not, committees and sub-committees may adopt their own Standing Orders.

The Standing Orders that are in *italics* contain statutory requirements.

Standing Orders that are not in *italics* are designed to help councils operate effectively but do not contain statutory requirements so they may be adopted as drafted or amended to suit a council's needs.

The Standing Orders do not include the Financial Regulations. Financial Regulations are Standing Orders to regulate and control the financial affairs and accounting procedures of a local council. The Financial Regulations, as opposed to the Standing Orders of a council, include most of the requirements relevant to the Responsible Financial Officer.
