**Categories:** Paul's task

Hello,

I can quote for a new barrier and low rail.

The price for materials, fabrication and installation is £2900,00 + vat.

For a site visit for a quote is £350,00 + vat.

If you decide to get a new barrier, we will be happy to help you.

Kind regards

Grzegorz

Good morning,

Are you able to repair/replace our car park height barrier?

A van drove into it over the weekend, buckling the barrier tilting one of the uprights and pulling this and the low rail out of the ground slightly. You can see the damage in the attached pictures.

If this is something you are able to help with, would you please be able to visit us to draw up a quote? Should you have any questions, please do not hesitate to ask.

Best wishes,

**Paul Manley**
