Project Title	Theale, Station Road and Brunel Road - footway and environmental improvements		
Project Start	15th March 2021	Project End	28th May 2021

Scheme information and description of the works

West Berkshire Council's (WBC) term maintenance contractor Volker Highways will be carrying out works in Station Road and Brunel Road, Theale, commencing on 15th March. The works will involve: improvements to sections of footway including kerb works; installation of tactile paving; reconstruction of the existing width restriction on Station Road beneath the bypass bridge and resurfacing of this section of carriageway; clearance of vegetation and replacement of fencing; signing and lining works.

The initial phase of work will involve excavation of trial holes on the footways, vegetation clearance and fencing.

A subsequent phase to reconstruct the width restriction and carry out resurfacing will involve a full road closure with no vehicular access; precise dates for this element will be advised nearer to the time.

Scheme permitted working hours and days

	07:30 - 17:00	09:30 - 16:00	19:00 - 05:00	24 hr
Monday to Friday	YES			
Saturday				
Sunday				
Comments	Works to footways and kerblines to be carried out 07:30-17:00. Resurfacing and width island works may require extended hours which will be notified separately.			

Scheme will be constructed under the following TM

Road Closure	YES	Lane Closure	YES	Temporary traffic lights	YES
Notes	When the resurfacing and reconstruction of the width restriction takes place, a full road closure will be required on Station Road in the section under the bypass bridge. When kerbing works are taking place, particularly in vicinity of the Station Road/Brunel Road roundabout, multi-way temporary traffic lights will be in operation. A lane closure to allow safe passage of pedestrians may be required at times.
